

EXECUTIVE SUMMARY

- World agrochemical market
- World fertilizer market
- World pesticides market
- Global innovation
- Regulatory framework and geographical analysis
- Competitive Landscape

World agrochemical market

- Summary
- Introduction
- High-level analysis
 - Fertilizer
- Pesticide
 - Market for organophosphate to continue to grow
 - Growing markets in developing economies
 - Emergence of environmentally friendly pesticides to win market presence
- Market dynamics
 - Drivers
 - Restraints
 - Opportunities

World Fertilizer Market

- Summary
- Global outlook
 - Nitrogenous fertilizers
 - Phosphatic fertilizers
 - Potassic fertilizers

World Pesticides Market

- Summary
- Global outlook
 - Organochlorine pesticides
 - Organophosphates
 - Pyrethroids
 - Neonicotinoids
 - Biological pesticides
 - Carbamate
 - Other pesticides

Global innovation

- Summary
 - Innovations in agrochemicals
- Fertilizers
 - Organic fertilizer from turkey feathers

Donaghys' LessN
Wastewater to fertilizer technology
Environmentally Smart Nitrogen

Pesticides

Pesticides for organic farming
Innovation in production processes
Biotechnology
Anti-resistance technology
Reduced-risk pesticides
Drought-tolerant technologies
