

1 EXECUTIVE SUMMARY

2 Introduction

2.1 What is this Report About?

2.2 Definitions

2.3 Methodology

3 Global Prefabricated Buildings Market Analysis

3.1 Global Prefabricated Buildings Trend Analysis

3.2 Green Buildings

3.3 Technology

3.4 Efficiency

3.5 Emerging Trend

3.6 Construction Industry Overview

3.7 Global Prefabricated Buildings Market Ranking

3.7.1 Global prefabricated buildings market ranking by market size

3.8 Global Prefabricated Buildings Market Share

3.8.1 Global prefabricated buildings regional market share

3.9 Global Prefabricated Buildings Market Size

3.9.1 Global prefabricated buildings market size by value

3.9.2 Global prefabricated buildings market size by value by category

3.10 Global Prefabricated Buildings Production Value

3.10.1 Global prefabricated buildings production value

3.10.2 Global prefabricated buildings production value by category

4 North America

4.1 North American Prefabricated Buildings Market Dynamics

4.2 North American Prefabricated Buildings Market Size

4.2.1 North American prefabricated buildings market size by value

4.2.2 North American prefabricated buildings market size by value by category

4.3 North American Prefabricated Buildings Production Value

4.3.1 North American prefabricated buildings production value

4.3.2 North American prefabricated buildings production value by category

4.4 The US

4.4.1 US prefabricated buildings market size by value

4.4.2 US prefabricated buildings market size by value by category

4.5 Canada

4.5.1 Canadian prefabricated buildings market size by value

4.5.2 Canadian prefabricated buildings market size by value by category

5 Europe

5.1 European Prefabricated Buildings Market Dynamics

5.2 European Prefabricated Buildings Market Size

5.2.1 European prefabricated buildings market size by value

5.2.2 European prefabricated buildings market size by value by category

5.3 European Prefabricated Buildings Production Value

5.3.1 European prefabricated buildings production value

5.3.2 European prefabricated buildings production value by category

5.4 Germany

5.4.1 German prefabricated buildings market size by value

5.4.2 German prefabricated buildings market size by value by category

5.5 Spain

- 5.5.1 Spanish prefabricated buildings market size by value
- 5.5.2 Spanish prefabricated buildings market size by value by category
- 5.6 France
 - 5.6.1 French prefabricated buildings market size by value
 - 5.6.2 French prefabricated buildings market size by value by category
- 5.7 Italy
 - 5.7.1 Italian prefabricated buildings market size by value
 - 5.7.2 Italian prefabricated buildings market size by value by category
- 5.8 UK
 - 5.8.1 UK prefabricated buildings market size by value
 - 5.8.2 UK prefabricated buildings market size by value by category
- 5.9 Croatia
 - 5.9.1 Croatian prefabricated buildings market size by value
 - 5.9.2 Croatian prefabricated buildings market size by value by category
- 5.10 Russia
 - 5.10.1 Russian prefabricated buildings market size by value
 - 5.10.2 Russian prefabricated buildings market size by value by category
- 5.11 Poland
 - 5.11.1 Polish prefabricated buildings market size by value
 - 5.11.2 Polish prefabricated buildings market size by value by category
- 5.12 Hungary
 - 5.12.1 Hungarian prefabricated buildings market size by value
 - 5.12.2 Hungarian prefabricated buildings market size by value by category
- 5.13 Switzerland
 - 5.13.1 Swiss prefabricated buildings market size by value
 - 5.13.2 Swiss prefabricated buildings market size by value by category
- 5.14 Netherlands
 - 5.14.1 Dutch prefabricated buildings market size by value
 - 5.14.2 Dutch prefabricated buildings market size by value by category
- 5.15 Turkey
 - 5.15.1 Turkish prefabricated buildings market size by value
 - 5.15.2 Turkish prefabricated buildings market size by value by category
- 5.16 Austria
 - 5.16.1 Austrian prefabricated buildings market size by value
 - 5.16.2 Austrian prefabricated buildings market size by value by category
- 5.17 Bulgaria
 - 5.17.1 Bulgarian prefabricated buildings market size by value
 - 5.17.2 Bulgarian prefabricated buildings market size by value by category
- 5.18 Belgium
 - 5.18.1 Belgian prefabricated buildings market size by value
 - 5.18.2 Belgian prefabricated buildings market size by value by category
- 5.19 Denmark
 - 5.19.1 Danish prefabricated buildings market size by value
 - 5.19.2 Danish prefabricated buildings market size by value by category
- 5.20 Estonia
 - 5.20.1 Estonian prefabricated buildings market size by value
 - 5.20.2 Estonian prefabricated buildings market size by value by category
- 5.21 Finland

- 5.21.1 Finnish prefabricated buildings market size by value
- 5.21.2 Finnish prefabricated buildings market size by value by category
- 5.22 Greece
 - 5.22.1 Greek prefabricated buildings market size by value
 - 5.22.2 Greek prefabricated buildings market size by value by category
- 5.23 Ireland
 - 5.23.1 Irish prefabricated buildings market size by value
 - 5.23.2 Irish prefabricated buildings market size by value by category
- 5.24 Latvia
 - 5.24.1 Latvian prefabricated buildings market size by value
 - 5.24.2 Latvian prefabricated buildings market size by value by category
- 5.25 Lithuania
 - 5.25.1 Lithuanian prefabricated buildings market size by value
 - 5.25.2 Lithuanian prefabricated buildings market size by value by category
- 5.26 Portugal
 - 5.26.1 Portuguese prefabricated buildings market size by value
 - 5.26.2 Portuguese prefabricated buildings market size by value by category
- 5.27 Slovakia
 - 5.27.1 Slovak prefabricated buildings market size by value
 - 5.27.2 Slovak prefabricated buildings market size by value by category
- 5.28 Sweden
 - 5.28.1 Swedish prefabricated buildings market size by value
 - 5.28.2 Swedish prefabricated buildings market size by value by category
- 5.29 Czech Republic
 - 5.29.1 Czech prefabricated buildings market size by value
 - 5.29.2 Czech prefabricated buildings market size by value by category
- 6 Asia-Pacific
 - 6.1 Asia-Pacific Prefabricated Buildings Market Dynamics
 - 6.2 Asia-Pacific Prefabricated Buildings Market Size
 - 6.2.1 Asia-Pacific prefabricated buildings market size by value
 - 6.2.2 Asia-Pacific prefabricated buildings market size by value by category
 - 6.3 Asia-Pacific Prefabricated Buildings Production Value
 - 6.3.1 Asia-Pacific prefabricated buildings production value
 - 6.3.2 Asia-Pacific prefabricated buildings production value by category
 - 6.4 China
 - 6.4.1 Chinese prefabricated buildings market size by value
 - 6.4.2 Chinese prefabricated buildings market size by value by category
 - 6.5 India
 - 6.5.1 Indian prefabricated buildings market size by value
 - 6.5.2 Indian prefabricated buildings market size by value by category
 - 6.6 Japan
 - 6.6.1 Japanese prefabricated buildings market size by value
 - 6.6.2 Japanese prefabricated buildings market size by value by category
 - 6.7 South Korea
 - 6.7.1 South Korean prefabricated buildings market size by value
 - 6.7.2 South Korean prefabricated buildings market size by value by category
 - 6.8 Australia
 - 6.8.1 Australian prefabricated buildings market size by value

- 6.8.2 Australian prefabricated buildings market size by value by category
- 6.9 Indonesia
 - 6.9.1 Indonesian prefabricated buildings market size by value
 - 6.9.2 Indonesian prefabricated buildings market size by value by category
- 6.1 Malaysia
 - 6.10.1 Malaysian prefabricated buildings market size by value
 - 6.10.2 Malaysian prefabricated buildings market size by value by category
- 6.11 Philippines
 - 6.11.1 Philippine prefabricated buildings market size by value
 - 6.11.2 Philippine prefabricated buildings market size by value by category
- 7 Latin America
 - 7.1 Latin American Prefabricated Buildings Market Dynamics
 - 7.2 Latin American Prefabricated Buildings Market Size
 - 7.2.1 Latin American prefabricated buildings market size by value
 - 7.2.2 Latin American prefabricated buildings market size by value by category
 - 7.3 Latin American Prefabricated Buildings Production Value
 - 7.3.1 Latin American prefabricated buildings production value
 - 7.3.2 Latin American prefabricated buildings production value by category
 - 7.4 Brazil
 - 7.4.1 Brazilian prefabricated buildings market size by value
 - 7.4.2 Brazilian prefabricated buildings market size by value by category
 - 7.5 Argentina
 - 7.5.1 Argentinean prefabricated buildings market size by value
 - 7.5.2 Argentinean prefabricated buildings market size by value by category
 - 7.6 Colombia
 - 7.6.1 Colombian prefabricated buildings market size by value
 - 7.6.2 Colombian prefabricated buildings market size by value by category
 - 7.7 Mexico
 - 7.7.1 Mexican prefabricated buildings market size by value
 - 7.7.2 Mexican prefabricated buildings market size by value by category
- 8 Middle East
 - 8.1 Middle East Prefabricated Buildings Market Dynamics
 - 8.2 Middle East Prefabricated Buildings Market Size
 - 8.2.1 Middle East prefabricated buildings market size by value
 - 8.2.2 Middle East prefabricated buildings market size by value by category
 - 8.3 Middle East Prefabricated Buildings Production Value
 - 8.3.1 Middle East prefabricated buildings production value
 - 8.3.2 Middle East prefabricated buildings production value by category
 - 8.4 Saudi Arabia
 - 8.4.1 Saudi Arabian prefabricated buildings market size by value
 - 8.4.2 Saudi Arabian prefabricated buildings market size by value by category
 - 8.5 United Arab Emirates (UAE)
 - 8.5.1 United Arab Emirates prefabricated buildings market size by value
 - 8.5.2 United Arab Emirates prefabricated buildings market size by value by category
 - 8.6 Qatar
 - 8.6.1 Qatari prefabricated buildings market size by value
 - 8.6.2 Qatari prefabricated buildings market size by value by category
 - 8.7 Bahrain

- 8.7.1 Bahraini prefabricated buildings market size by value
- 8.7.2 Bahraini prefabricated buildings market size by value by category
- 9 Company Profile: Kirby Building Systems, LLC
 - 9.1 Kirby Building Systems, LLC – Company Overview
 - 9.2 Kirby Building Systems, LLC – Main Products
 - 9.3 Kirby Building Systems, LLC – Company Information
 - 9.3.1 Kirby Building Systems, LLC – key competitors
 - 9.3.2 Kirby Building Systems, LLC – key employees
- 10 Company Profile: Butler Manufacturing Company
 - 10.1 Butler Manufacturing Company – Company Overview
 - 10.2 Butler Manufacturing Company – Main Products and Brands
 - 10.3 Butler Manufacturing Company – Company Information
 - 10.3.1 Butler Manufacturing Company – key competitors
 - 10.3.2 Butler Manufacturing Company – key employees
- 11 Company Profile: Red Sea Housing Services Company Limited
 - 11.1 Red Sea Housing Services Company Limited – Company Overview
 - 11.2 Red Sea Housing Services Company Limited – Main Services
 - 11.3 Red Sea Housing Services Company Limited – Company Information
 - 11.3.1 Red Sea Housing Services Company Limited – key competitors
 - 11.3.2 Red Sea Housing Services Company Limited – key employees
- 12 Company Profile: Vardhman Building Systems
 - 12.1 Vardhman Building Systems – Company Overview
 - 12.2 Vardhman Building Systems – Main Products and Brands
 - 12.3 Vardhman Building Systems – Company Information
 - 12.3.1 Vardhman Building Systems – key competitors
 - 12.3.2 Vardhman Building Systems – key employees
- 13 Company Profile: Galco
 - 13.1 Galco – Company Overview
 - 13.2 Galco – Main Products
 - 13.3 Galco – Company Information
 - 13.3.1 Galco – key competitors
- 14 Company Profile: Dorce Holding
 - 14.1 Dorce Holding – Company Overview
