

Executive Summary  
Research Scope, Objectives, Background and Methodology  
Definitions and Segmentation  
Aftermarket Automotive Apps Market Overview  
Current Automotive App Trends  
Types of Automotive Apps  
Aftermarket App Value Chain Analysis  
Regulatory Overview  
Revenue Generation Through Apps  
Aftermarket Automotive Apps Market Current and Future Strategies—OEM/OES  
OEM App Ecosystem  
OEM Brand Awareness and Information App Strategy  
Strategic Opportunities for OEMs  
OEM Approaches to Vehicle Management  
OEM Apps and Content Revenue Models  
OEM Case Studies  
OEM App Features Benchmarking  
Evolution of Remote Vehicle Diagnostics  
Current OES/Dealership App Strategies  
Case Study—MobileAppLoader  
Best Practices in Dealer-Based Apps  
OEM/OES Apps—Conclusions  
Aftermarket Automotive Apps Market—Aftermarket Suppliers, Distributors, and Third-Party Developers  
Current Aftermarket App Approaches  
Distribution and Retail Channel App Functionalities Benchmarking  
Case Studies  
Third-Party Apps Landscape  
Third-Party App Business Models  
Collaborative Approaches between Third-Party and OEM/OES  
Selected Aftermarket Automotive Apps  
Selected Vehicle Information, Service, and Management Apps—OEMs/OES  
Selected Vehicle Information, Service, and Management Apps—Aftermarket  
Selected Vehicle Information, Service, and Management Apps—Third-Party Developers  
U.S. Voice of Customers  
Survey Methodology  
Familiarity with Various Smartphone Apps Available on a Typical Smartphone  
Where Apps Are Accessed  
Price of Apps Used Only Outside of Vehicle  
Reasons Why Various Apps Are Not Accessed Inside Vehicle and Likelihood to Use if Available  
Type of Trip and App Usage Inside Vehicle  
Likelihood of Accessing Various Apps if Available Inside Vehicle  
Customer Profiles  
Familiarity with Various Smartphone Apps Available on a Typical Smartphone  
Willingness to Pay Initial One-Time Price for Apps Supplied by the Vehicle Manufacturer  
Voice of Customers—Conclusions  
The Last Word—Conclusions, Recommendations, and Future Outlook  
Appendix A: Aftermarket Automotive Apps Market Demand Analysis  
Smartphone Usage and Penetration  
Smartphone Market Shares by Manufacturer and OS  
App Store Metrics  
Key Smartphone and App Trends  
Gen Y Smartphone and App Usage  
Appendix B
