Regulatory Market

Medical Technology Mergers and Acquisitions

Notable Mergers and Acquisitions Deals

VC Investment in Medical Technology Startups

VC Investment in Medical Technology Companies by Stage

Average Deal Size in Medical Technology Investment

Number of VC Deals in Medical Technology Space

Ten Novel Medical Devices Primed for Growth this Decade

Supply Chain Analysis

Group Purchasing Organizations (GPO) Market

Medical Device Excise Tax

Estimated Medical Device Excise Tax Burden by Select Companies

Potential Medical Device Excise Tax Implications

Medical Device Tax Implications Analysis

Medical Technology Company Revenues by Region

Five Key Companies by Product Sector

Medical Devices & National Healthcare Expenditures

HC Reform and the New Market Landscape Assessment

Complex Medical Device Distribution Structure

Source of Total Healthcare Spend

Medical Device Business Models

Refurbished Devices

Recycled/Reprocessed Medical Devices

Mega Trends Discussion

Mega Trends Research Overview

Process for Integrating Mega Trends into strategic planning and driving market and innovation opportunities

From Macro to Micro: How To Take Mega Trends from Information to Strategy
Implementation

Mega Trend- The Millennial Generation

Mega Trend- Wellness Initiatives

Mega Trend- Home Care and Reimaging the Patient Experience

Mega Trend- Home Care and Reimaging the Patient Experience- continued

Mega Trend- Low Cost Medical Devices

Macro Economic Trends- Cost of Goods

Technologies Impact- Nanotechnologies

Technologies Impact- Nanotechnologies continued

Technologies Impact- Artificial Intelligence

Technologies Impact- Tissue Engineering/ Organ Replacement

Technologies Impact- Cybernetics

Anesthesia-Respiratory Devices Market

Overview
Market Drivers and Restraints Discussion
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
Anesthesia
Anesthesia Delivery Systems
Anesthesia Disposables
Anesthesia Circuits
Anesthesia Masks
Endotracheal Tubes
Laryngeal Mask Airways
Interventional
Bronchial Thermoplasty
Sinuplasty
Respiratory Disposables
Oxygen Cannulae
Oxygen Masks
Tracheostomy Tubes
Resuscitators
Ventilators
Oxygen Therapy Devices
Oxygen Concentrators
Compressed Gas Cylinders
Liquid Oxygen Market
Conservers
Regulators
Nebulizers
Sleep Therapy
Flow Generators
CPAP Devices
Bi-Level PAP Devices
Auto PAP Devices
Facial Interfaces
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Cardiology Devices Market

Overview
Market Drivers and Restraints Discussion

- Market Engineering Measurements
- Market Forecast
- Market Sector Breakdown
- Cardiac Rhythm Management
- Pacemakers (includes CRT-P)
- Implantable Cardioverter Defibrillator (Includes CRT-D)
- Catheter Cardiac Ablation-Surgical Ablation
- External Defibrillators
- Automatic External Defibrillators
- Interventional Cardiology
- Angioplasty
- Angiography
- Coronary Stent
- Peripheral Stent
- Intravascular Ultrasound
- Vascular Closure
- Atherectomy
- Thrombectomy
- Cardiac Catheters (misc)
- Cardiac Surgery
- Perfusion Systems
- Automated Anastomosis Devices
- Endoscopic Vessel-Harvesting Devices
- Heart Closure Devices
- Heart Valves
- Transmyocardial Revascularization Lasers
- LVAD
- IABP
- Select Key Competitors Discussion
- Three Key Opportunities for the next Decade

Chronic Care Devices Market

- Overview
- Market Drivers and Restraints Discussion
- Market Engineering Measurements
- Market Forecast
- Market Sector Breakdown
- Implantable Drug Infusion Pumps
- Programmable Pumps
- Constant Flow Pumps
- Ambulatory Infusion Pumps
- Non-electronic
- Electronic
- Disposable Pain Management
- Large Volume Infusion Pumps
- Acute Care Pumps
- Alternate Care Pumps

Acute Care Administration Sets
Alternate Care Administration Sets
Syringe Infusion Pumps
Insulin Infusion Pumps
Enteral Feeding Pumps
Venous Access Catheters
CVC
PICC
Hemodialysis
Hemodialysis Machines
Hemodialysis Dialyzers
Peritoneal Dialysis
Continuous Renal Replacement Therapy
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Disinfection and Sterilization Devices Market

Overview
Market Drivers and Restraints Discussion
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
Central Sterilization Equipment and Sterilant
Steam Sterilization
Ethylene Oxide Sterilizers
Ethylene Oxide Sterilants
Hydrogen Peroxide Gas Plasma Sterilizers
Hydrogen Peroxide Gas Plasma Sterilants
Liquid Chemical Sterilizers
Liquid Chemical Sterilants
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Mobility Aid Devices Market

Overview
Market Drivers and Restraints Discussion
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
Wheelchairs
Standard Manual Wheelchair
Ultra-light Manual Wheelchair
Bariatric Manual Wheelchair
Pediatric Manual Wheelchair
Powered Wheelchair
Scooters
Patient Lifts
Institutional Segment

Home Segment
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Neurology Devices Market

Overview
Market Drivers and Restraints Discussion
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
CSF Management
CSF Shunts
CSF Drainage
Neurostimulation
Spinal Cord Stimulation
Deep Brain Stimulation
Vagus Nerve Stimulation
Sacral Nerve Stimulation
Neurovascular
Neurovascular Stents
Emboic Devices
Ischemic Stroke Retrieval
Neurovascular Catheters
Neurosurgery
Aneurism Clips
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Oncology Devices Market

Overview
Drivers and Restraints
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
Brachytherapy
Seeds
Implantable
Radiation Oncology
External Beam Radiotherapy
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Ophthalmology Devices Market

Overview
Market Drivers and Restraints Discussion
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
Vision Care

Vision Care
Contact Lens
Lens Care
Standard Lens
Surgery
Cataract and Vitreoretinal Surgery
Ophthalmic Lasers
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Orthopedics Devices Market

Overview
Market Drivers and Restraints Discussion
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
Joint Reconstruction
Hip Joint Replacement
Knee Joint Replacement
Shoulder Joint Replacement
Elbow Joint Replacement
Wrist Joint Replacement
Digits Joint Replacement
Ankle Joint Replacement
Spine
Spinal Fusion Devices
Spinal Fusion Stimulators
Spinal Fixation
Total Disc Replacement Devices
Vertebral Compression Fracture Devices
Spinal Orthoses
Trauma/Fixation
Internal Fixation
External Fixation
Craniofacial Fixation
Orthopedic Softgoods, Braces, and Supports
Knee Braces
Ankle Braces
Walkers
Back Soft Goods
Upper Extremity Softgoods
Rehabilitation (Stimulators)
Biologics
Allografts
Growth Factors
Bone Morphogenic Proteins
HA-based biomaterials: Osteoarthritis Viscosupplementation

Bone Growth Stimulators
Dental
Dental Implants
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Robotics/ Navigation Devices Market

Overview
Market Drivers and Restraints Discussion
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
Robot Assisted Surgery Systems
Specialized Navigation Systems
Image Guidance
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Surgical Devices Market

Overview
Market Drivers and Restraints Discussion
Market Engineering Measurements
Market Forecast
Market Sector Breakdown
Minimally Invasive Surgery Instruments
Rigid Endoscopes
Flexible Endoscopes
Endoscopy Equipment
Access
Resection
Adhesion Prevention Products
Disposable Surgical Supplies
Surgical Non-wovens (Drapes, Gowns, Masks, Headwear, and Shoe Covers)
Examination and Surgical Gloves
Procedure Kits
Energy-Based and Powered Instruments
Electrosurgery
Thermal Ablation
Powered Instruments
Temperature Management
Circulating Fluid
Soft Tissue Repair
Fixation
Artificial Meshes
Biologic Meshes
Select Key Competitors Discussion
Three Key Opportunities for the next Decade

Uro Gyno Devices Market

- Overview
- Market Drivers and Restraints Discussion
- Market Engineering Measurements
- Market Forecast
- Market Sector Breakdown
- RF Ablation Devices
- Microwave Thermotherapy
- Interstitial Laser Coagulation Devices
- Permanent Urethral Stents
- Collagen-based UI Implants
- UI Artificial Sphincter
- UI Electrical Stimulation Devices
- Female UI Devices
- UI Ureteral Stents
- Urinary Catheters
- Slings
- Ostomy
- Select Key Competitors Discussion
- Three Key Opportunities for the next Decade

Woundcare Devices Market

- Overview
- Market Drivers and Restraints Discussion
- Market Engineering Measurements
- Market Forecast
- Market Sector Breakdown
- Advanced
- Alginate
- Hydrocolloid
- Transparent Film
- Foam Dressing
- Hydrogel
- Silver
- Non-silver
- Biomaterials
- Skin Substitutes
- NPWT
- Compression Therapy
- Static Compression
- Dynamic Compression
- Wound Closure
- Sutures
- Staplers
- Ligating Clip Applicators
- Strips
- Cyanoacrylate-based Tissue Adhesives
- Beds

Specialty Bed Systems
Mattress Replacement
Mattress Overlay
Bariatric Specialty Beds and Support Systems
Hemostats and Tissue Sealants
Collagen Based
Oxidized, Regenerated Cellulose-based
Gelatin-based
Thrombin-based
Combination
Fibrin Sealant
Protein-based Sealant
